HALLOWEEN PARTY-All classes can wear their Halloween costumes to dance Thursday October 24th -Wednesday October 30th. We will dance in our costumes, and then take the last 10 or 15 minutes to have a party. If you would like to bring a treat for your class to share, that would be fun! ***No Classes on Halloween.

WATCHING CLASS-We are now in the month of October and for the most part are settling down. Our lobby is small on purpose. Students do better without the noise level and other distractions. The lobby isn't big enough or secluded enough for parents to watch every week. Again we ask that you come the last class of the month and we will make arrangements for seating. The rest of the month, please drop off your dancers and wait outside. It is really congested and confusing for the teachers and the students. Again if you do come and watch class there are no cell phones and please makes arrangements to leave other children at home.

POTTY- Moms, remind your dancers, especially little ones, to potty at home before class.

CLASS ATTIRE-Dancers should now have proper dance attire for each class. This includes clogging shoes. All dance gear and shoes can be purchased next door at Groove Dancewear! Please do not wear jeans or street clothes to class. Not even hip hop and tumbling. You will be ask to watch class if you are not dressed properly.

DANCERS BELONGINGS- Dancers need to bring all items in a bag and put in a cubby up front or in back lockers and not on the dance floor. PUT YOUR NAME on EVERYTHING and we can get it back to you if it gets lost. ESPECIALLY for our little ones.

POLICIES—please go over these in the contracts/waivers. Please refer to the parent/student handbook for questions.
