Hi Everyone!

We are excited to have you join us in Provo!! We have the workshop and competition schedules and wanted to give you the opportunity to view them before they get posted on our website!

COMPETITION: <https://jumptour.com/2018-2019/provo-ut/competition?preview=V3TR1>

We MUST receive waivers from everyone that is registered for JUMP (excluding Observers) before the event begins. With their new registration system (Dance360.com), all waivers must be signed electronically. Attendees that arrive at the convention will not be given a wristband or audition number (if applicable) until their waiver is signed.

FRIDAY FEBRUARY 22nd:

Specialty Hip Hop needs to meet in the Hotel lobby at 10am SHARP completely ready to go. That means hair and make-up and LOTS of glitter. You can not apply make-up or do hair in the hotel or convention hall. If you need a ride down this morning, talk to Lesley. Yes, we compete Friday for this piece. Please be back for awards by 1:15. Dancers that don't have parents there, Lesley can

take them for lunch or chill in the hotel rooms (if they are ready) until awards.

All other dancers: As you can see, there are optional classes for dancers Friday morning starting at 9a.m. This is great opportunity to get your moneys worth and the classes will be MUCH smaller. IF you choose not to attend the morning classes, all company dancers are required to be in the Convention lobby no later than 1:45pm to get your wrist bands. *Please wear studio apparel as much as you can to classes and ALWAYS wear your jacket coming and going.* Classes begin at 2:30. I have attached the schedule so you can see your classes for the weekend. A teacher will check on the girls in each class. Teachers will also be to the auditions for each age group. Ballrooms will be labeled so you know where your kiddo will be for the weekend. We will

also be using our captains of each company to take a count of the girls periodically. The girls will find a corner of the ballroom to congregate and leave their bags. This will be the designated "meeting place" per ballroom. The girls should stay in their ballrooms until a parent gets them. IF you are worried about your dancer, you can buy an observer pass for the weekend to be in the ballroom. There is also plenty of seating at the convention center.

Make sure you bring clothes changes and shoes changes and SOCKS! Don't forget your clogging shoes for tap and tennis shoes for hip hop. You can bring snacks and water bottles. Please clean up after yourself.

For the dinner time @ 6-6:45, you can send your dancer with dinner, or take her out to dinner. You might choose to get your groups together and appoint moms to be in charge of girls during dinners and lunches as teachers will not be around for meals.

Friday nights classes for Juniors on down end at 8:45pm. Teens have class til 9:45. **again check the schedule attached.****

If you take your dancer home early on Friday or Saturday, please let one of your teachers know!
