March 2024 Newsletter

## MARCH HAPPENINGS

### MARCH BIRTHDAYS

Happy Birthday to all our March dancers and Miss Shannon and Miss Bella! We are lucky to have you.

### PARKING LOT

ATTENTION DRIVERS....please drive slow and **DO NOT** pull up behind parked cars and let your dancer out. You **MUST** park before you drop off or pick up a dancer. You can drop off or pick up at the end of the sidewalk by the gym or up by Anna's Alterations, but **DO NOT** stop to drop off or pick up dancers in the driving lanes and open street. We will be taking this very seriously. Also, please remind your dancers not to walk out on the streets, especially when it is dark; pull up and get them. AND please **DO NOT** leave your car running if you are waiting at the Studio. Lets keep CLEAN AIR!

### MISSING CLASS

It is very important that all dancers are in their classes for the next couple of months. We will be cleaning performing routines and spacing them. If dancers miss excessive classes, they will be spaced out. It's amazing how just missing one week can put a dancer so far behind. Please be in class.

## RECITAL READY

### "PUMP UP THE JAM"

Our recital is scheduled for Saturday, May 18th at Churchill Jr. High. Recital t-shirts will be coming home this month. Look for the Recital Packet coming via email with the April newsletter.

### COSTUMES

Dancers should have received their costumes Just remember that costumes are NOT to play in or eat in. Costumes that aren't in new condition will not be acceptable. Make sure they are steamed and hung up. After the recital in the spring, dancers can play in them all you want.

### ACCESSORY LIST

Included with the newsletter is list of all the items you need to have for each costume. These are items that do not come with your costume. Accessories are listed by teacher, so find your teacher and class and see what you need.

### TIGHTS/SHOES

All performing tights and shoes need to be purchased in the Studio office, so we have the same colors. Shoes and tights will be checked and passed off at pictures and dress rehearsal. Don't wait until the last minute when our stock is low.

### PRACTICE, PRACTICE, PRACTICE

A Bubble Gum Practice Chart is included with this newsletter. This chart is a fun incentive for dancers to practice at home. Bring it back and redeem for a prize. (Return it for a real bubble gum machine or gumball treat.) Every time a dancer practices the dance to the music for a parent, friend, or sibling, she/he gets to fill in one gumball. We notice those that just color away and those that really practice. Once a parent and teacher sign the bottom of the completed chart, the dancer can bring it to the office.

### NUDE LEOTARDS

For dancers that have costume changes or for dancers that might need more support under their costumes, you can buy a nude-colored leotard to wear under all your costumes. This is great for costume changes and modesty. We have some for sale in the Studio office.

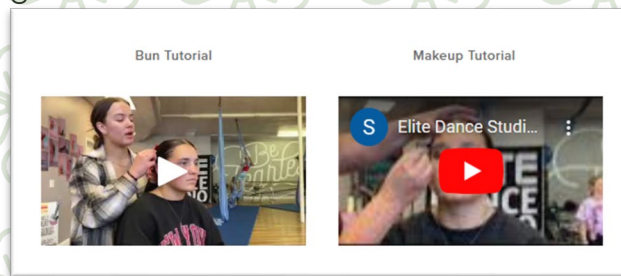

### PICTURES

Pictures will be done in classes the week of May 13th. Picture order forms and your times and dates will be in the April newsletter, so watch for them. Even if you don't order pictures, you need to be in the class picture and have your hair and make up checked off by your teacher.

### HAIR AND MAKE UP

Details are in in the recital packet. You can also watch the videos on our [recital information](#) page.
